### NOTICE

If you are thinking about selling your home or are selling your home you must read this. Ordinance 101 A pertains to I/I. When selling your home you must have your sewer line televised and certified by a company that does televised sewer lines. The company will fill out the certification form from the city and supply the city with a DVD or USB of the televised sewer line. If the line is non compliant (collapsed, tree roots, debris) you are responsible for fixing. If you do not fix it there are fines and worse case scenario the city could turn off your water supply if you continue to be non compliant. Last year the residents went through the sump pump inspections THIS IS NOT THE SAME. Please read.
