Drop off sites for Water/Sewer Bills

- City Hall Drop Box
- Security Bank New Germany
- Regular Mail
- Online @ govpaynow.com

Water Bills are due the 15th of each month. If you do not send in a water meter reading you will be **charged a penalty fee of \$10.00, this is only if your meter is a manual read meter.** Any bill that is delinquent more than 60 days can legally be shut off. Each certified letter that is mailed is costly. If you can't pay your bill in full—make a partial payment. If you can't pay anything at least send in or CALL in a meter reading—You will at least save yourself the \$10 penalty. Leave a message after hours or write it on a piece of paper with your address and drop in the drop box. There is a shut-off fee of \$25 and a reconnect fee of \$25. There are 8 meters left to replace and everyone will be on auto reads. Auto reads do not need to write any meter readings.

Call if you are unsure if you are an auto read.

Carver County Offers 1 FREE Radon Test Kit to Carver County Resident.

Limited quantities available - when supplies run out the prices are; short term kit \$8/ long term kit \$20

Carver County will offer 1 radon test kit per home owner if you live in Carver County at no charge to homeowners during **January** which is Radon Action Month.

The Minnesota Department of Health recommends that all homes in Minnesota be tested for radon. It's the only way to know if your home has elevated levels of radon, which can cause lung cancer. Radon is an odorless, colorless, tasteless gas that occurs naturally in Minnesota soils and can enter homes primarily through cracks and openings in basements or foundation floors and walls. MDH estimates that one in three existing Minnesota homes have radon levels that pose a large health risk over many years of exposure. Radon is the second leading cause of lung cancer in the United States and more than 21,000 deaths are attributed to radon each year. Radon test kits will be available at **no charge** during the month of **January** at the Carver County Environmental Center **ONLY**. Limit one test kit per household and while supplies last. Proof of residency is required. Kits will be available at the Environmental Center during winter collection hours which are: Wednesdays 12:00pm-7:00pm; Thursdays 11:00am- 5:00pm; and Saturdays 8:00am-12:00pm. The facility is closed during all other times. If you have questions about the test kit giveaway please call 952-361-1800. For more information on radon testing and mitigation visit www.health.state.mn.us/radon or call the Minnesota Department of Health Indoor Air Unit at 651-201-4601 or 1-800-798-9050. Anyone interested in mitigating their home for radon should consult MDH's list of certified radon mitigation contractors at: <http://www.health.state.mn.us/divs/eh/indoorair/radon/mitigation.html>.

www.cityofnewgermany.com you can also find updates on Facebook, City of New Germany.

NEWSLETTERS

Our city newsletter is available to anybody that would like a copy. If you know of somebody in the surrounding communities that would like a copy, please call City Hall, to be put on mailing list.

March 3 Presidential Primary at the New Germany Hall.

EXTRA EXTRA

Remember: The recycle center and brush site by Mayer is only open Saturday mornings until April. Then it is open Wednesdays 5-8pm in addition to Saturday mornings.

If you are having a sewer back-up or water/sewer problems after hours: call Lee Ortloff at 612-636-2434, or Jerry Stranlund 612-644-0139 or call the city office during office hours.

NO PARKING on city streets following a snowfall of 1" or more. NO parking on city streets between 2am and 7am Nov. 1 thru March 31. The Sheriff Dept. will be called and you will be ticketed.

Pets must be kept on a leash and picked up after on public property. Call city office for a full copy of the animal ordinance.

The city contracts for sanitation service. If you have a garbage request (i.e. need a new can) please call the city office.

Building Permits need to be obtained before the work begins. Call the City to determine if a permit is

SNOW REMINDERS

If it snows on the day of garbage or recycle collection, please keep your **containers off of the road** so the city streets can be plowed. If you put them out on Wednesday night they must be in your driveway and not on the road. Also please do not push your driveway or sidewalk snow into the street.

NO ICE SKATING RINK

Eater Bunny—Will be April 4th, more information to come. Feel free to contact a Commercial Club member if you want to help plan and/or work this event. Volunteers welcome!
