

City of New Germany

Did you know the local New Germany Fire Department Relief Association (manages the charitable gambling in New Germany) are always giving back to the community. If you would like scholarship information or an application, please contact the Gambling manager, Dan DeRusha 952-451-8882 for more information.

The Fire Department Relief Association combined with Lester Prairie Relief Association will be hosting a dance April 22, 2022 at the New Germany Hall. Music will be provided by Up South band.

The FD annual ball tournament date is August 5 -7, 2022.

Welcome to New Germany Sergeant Shortbread Cookies and Three Mad Poppers! These two businesses will be in the Cookie Factory building in New Germany! Mark Rosen is Sergeant Shortbread owner, baker, and is also a Veteran. Mark has several different options of shortbread cookies and the ones we tasted were excellent! Jason Price is the owner of Three Mad Poppers, owner and operator of his popcorn business. Jason is currently located in Bloomington and will be relocating his business to New Germany! Jason has several different flavors of popcorn and they all are amazing!! They were both so kind to bring samples to city hall, delicious!!! You can order online at: www.sergeantshortbread.com for the cookies and www.threemadpoppers.com for the popcorn. If you do not have internet, once they are established in the building, knock on the door, I am sure they would be happy to help you. They will also be hiring employees in the future! Watch for updates in the newsletter and social media.

REMINDER

If you are thinking about selling your home or are selling your home you must read this.
When selling your home you must have your sewer line televised and certified by a company that does televised sewer lines. The company will fill out the certification form from the city and supply the city with a USB of the televised sewer line. If the line is non compliant (collapsed, tree roots, debris) you are responsible for fixing. If you do not fix it there are fines and worse case scenario the city could turn off your water supply if you continue to be non compliant. Every five—six years the city does Sump Pump inspections, last inspection was in 2016. The city will be scheduling Sump Pump inspection mid February—March of 2022. Sump pump inspections and Sewer inspections are two separate inspections.

ORDINANCE CODIFICATION CODE 51.02 CITY OF NEW GERMANYS COUNTY OF CARVER, MINNESOTA

§ 51.02 PROHIBITED WASTES.

(A) No person shall discharge or cause to be discharged any storm water, surface water, ground water, subsurface water, roof runoff, yard drainage, yard fountain, pond overflow, unpolluted industrial or commercial process water, any type or form of clean water or any substance other than sanitary sewage into the sanitary collection system of the city.

(B) No roof drain, sump pump, foundation drain, drain tile, swimming pool discharge or surface water drainage shall be connected to the sanitary sewer system and no building shall hereafter be constructed, nor shall any existing buildings be hereafter altered, in a manner that the roof drainage, foundation drain, drain tile or any other source of the discharge or drainage other than sanitary sewer shall connect with the sanitary sewer system. Building drain and building sewer piping shall be maintained so as to prevent the infiltration of a water of substance other than sanitary sewage into the sanitary collection system of the city.

(C) Any person, firm or corporation having a roof drain, sump pump, foundation drain, drain tile, swimming pool discharge, cistern overflow pipe or surface drain now connected and/or discharging into the sanitary sewer system shall be disconnected and/or removed. Any disconnects or openings in the sanitary sewer shall be closed or repaired in an effective, workmanlike manner as described in division (D) below and as approved by the City Engineer.

(D) All sump pumps shall have a discharge pipe installed to the outside wall of the building with one-inch inside minimum diameter. The pipe attachment must be a permanent fitting such as PVC pipe with glued fittings. The discharge shall extend at least three feet outside of the foundation wall and must be directed toward the front yard or rear yard area of the property. All foundation drains, drain tiles and other non-compliant connections to the city sanitary sewer shall be disconnected from the city's collection system, and the disconnection, wye, opening, protruding tap or other method of connection shall be plugged or bulk-headed in a permanent fashion, so as to maintain the continuity of the city's collection piping and as approved by the City Engineer.

(E) Every person owning improved real estate that discharges into the city's sanitary sewer system shall allow an employee or agent of the city the right of entry to inspect the interior of the buildings or structures to confirm that there is no sump pump, foundation drain, drain tile or other prohibited discharge into the sanitary sewer system. Any person refusing to allow his or her property to be inspected shall immediately become subject to the surcharge hereinafter provided for, and will continue to be considered non-compliant until such a time as right of entry is granted and the absence of prohibited connections and/or discharge is certified by an authorized employee or agent of the city.

(F) The owner of record of any property found to violate this section shall be notified by the city in writing by certified mail. Violations found not to comply with this section shall be brought into compliance within 30 days of the notice of violation. No extensions or waivers shall be given. At such time that a non-compliant connection has been disconnected and the necessary steps taken to make the necessary changes to comply with this section, the changes shall be certified by an authorized employee or agent of the city. Following certification, any surcharge shall be discontinued on the next sewer billing.

(G) If the violation(s) is not brought into compliance within 30 days of the notice of violation, a surcharge of \$100 per month is hereby imposed and shall be added to every sewer billing mailed to property owners who are not in compliance with this section. The city shall continue to impose a monthly surcharge to that property until such a time as the violation(s) has been brought into compliance and certified by the city as required by this section. The imposition of the surcharge shall in no way limit the right of the city to seek an injunction in district court ordering the property owner to correct the violation(s) to the sanitary sewer system or from pursuing any other legal remedies available. If the violation(s) is not brought into compliance within 60 days of the notice of violation(s), then the city shall provide a second notice, via certified mail, informing the property owner that water service provided by the city will be disconnected. If the violation(s) is not brought into compliance within 90 days of the notice of violation(s), then the city shall discontinue water service to that property until such time as the violation(s) has been brought into compliance and certified by the city as required by this section.

(H) Certification of violation(s) brought into compliance shall be completed by an authorized city employee or agent. Certification may not be made by any person who is not an approved agent of the city.

(I) Prior to change of ownership of any building(s) within the city, the seller should have the building(s) certified for compliance with this section prior to the closing of the sale or transfer. It is the responsibility of the seller or seller's agent to notify the city of a proposed change of ownership. Any building (s) that has not been certified as compliant shall be assumed to be non-compliant with this section. If a property is found to be non-compliant after a property is transferred, the city shall enforce this section according to the provisions in divisions (F) and (G) above, unless it has been demonstrated that an escrow for the completion of the repair has been established as a condition of the purchase agreement.

(J) Upon verified compliance with this section, the city reserves the right to inspect the property annually to verify continued compliance.

(Ord. 42, passed 6-27-1972; Ord. 101A, passed 12-19-2017; Ord. 115, passed 8-4-2020) Penalty, see § 10.99

RESIDENTS

The 2022 Budget is posted outside City Hall in the glass case. The 2021 Audit will be completed around March 1, 2022 and will also be posted in the case.

Animals running at large are prohibited in New Germany. Animals are to be under the control of their owner, either by leash, cord, chain, or otherwise (restrained or confined). A person who owns harbors, or keeps a dog or cat that runs at large shall be guilty of a misdemeanor. Please come into City Hall and view the entire ordinance to make sure you are complying. Ordinances are established to ensure the enjoyment of each resident's property and to maintain a quality of life for our community. Please be a considerate community member. In the event of an animal running at large please call Carver County Community Service Officer 952-361-1212 is the non emergency number.
