Join others in the nation’s largest Adopt a Drain program.

Adopt a Drain

Adopt a drain is a program that invites residents to adopt a storm drain and commit to keeping it clear of leaves, trash and other debris. Keeping storm drains clean prevents pollution in our lakes and creeks.

The program began in 2017 in Minnesota, and since that has grown to 5 states. In Minnesota there are 10,000 volunteers who have adopted 19,000 drains and have prevented 500,000 lbs. of debris from getting into local lakes and rivers. The impacts have been huge!

Clean storm drains help lakes

Rain washes anything that’s on streets and paved surfaces down storm drains and into lakes and rivers. Many people do not know that “natural” debris—leaves, grass clippings, fertilizer, road salt, and pet waste—becomes pollution when it hits the water. When these natural pollutants break down, they become food for algae, causing it to grow out of control.

Sign up

You can sign up as an individual, a family, a school, an organization, a service group and more.

To sign up visit <https://www.adopt-a-drain.org/>. Plug in your location to search for adoptable storm drains near you. Select one and fill out the sign-up form. When residents sign up for the program, they’ll receive an e-mail with instructions on how to safely clear storm drains, dispose of the debris, and report the amount of debris they collect.

FLAGS FOR SALE-Did you know you could purchase a new flag (3x5) from the New Germany American Legion. If Interested or need more information contact Roger Sauerbrey at 952-657-2431. The New Germany hall is a drop off site for old tattered flags.

BREAKFAST WITH SANTA: December 3. Mark your calendars!

TRUTH & TAXATION HEARING—December 6, 7 PM City Office.

FIRE PREVENTION WEEK, OCT. 9—15— A smoke alarm is your first line of defense. Make it a point to install fresh batteries. Then check to see if it’s working by pushing the safety test button. ~Many homes should have two or more smoke alarms, including one outside of every sleeping area.

~ Change your flashlight batteries. Keep a working flashlight near your bed, in the kitchen, basement, and family room. They are convenient if power goes out and can be used to signal for help in the event of a fire.

~ Install a fire extinguisher near your kitchen and know how to use it. Buy a multi purpose fire extinguisher.

~ Plan and practice your escape. Create at least two different escape routes and practice them with your family.

~ Fire protection on the job! If you notice a hazard or condition that could cause a fire, report it to your supervisor.

More than 1.7 million fires strike American homes and businesses each year, according to the National Fire Protection Association.

Fire Chief Goede encourages everyone who has battery operated smoke alarms to replace your batteries, this small task could save a life! Reminder—fires spread more quickly the more oxygen they have. Keep your bedroom door closed can slow the spread of a house fire, as well as reduce toxic smoke levels.

NEW GERMANY FIRE DEPARTMENT IS ACCEPTING FIRE FIGHTER’S! JOIN TODAY!

***** **HALLOWEEN PARTY** *****

The New Germany Commercial Club is hosting a October 29 Halloween Party—games, prizes, fun for all ages. If you would like to help at this event, please call Shirley Jaeger. Trick or Treaters are welcome to walk around town on Halloween night and stop at houses with porch lights on.
