## Join the Carver County Sheriff's Office Community Watch

### About:

The Carver County Sheriff's Office invites you to register your residential or business security camera (s) with our Community Watch program. The purpose of the Community Watch Program is to foster a collaborative effort between the Sheriff's Office and the Citizen's of Carver County to strengthen the investigative capabilities of the Sheriff's Office as well as deter crime. The Community Watch program is essentially the "Neighborhood Watch" of the 21st century.

### How it Works:

When a crime occurs in your area, the Sheriff's Office may contact you to see if you have security footage of the incident. If you have security footage of the incident, the Sheriff's Office may request a copy of the footage for investigative and/or evidentiary purposes.

### Why You Should Know:

- Registering your cameras does not give the Carver County Sheriff's Office direct access to your camera.
  - Participation is voluntary and free.
  - You may withdrawal your registration at any time.
- Participation information will be kept private.
