JUNK & BLIGHT ISSUES IN THE CITY

Yes, it is that time of the year again. After the snow melts things are uncovered that we forgot about. Inspections are being done & letters will be going out. If needed, the city will tow, hire a crew to clean up or do whatever is necessary to clean up our city. Any clean up that needs to be done by the city, or hired out, will be your financial responsibility and if you choose to not pay the bill we will assess the amount onto your taxes in November. Let's be proud of our city—your home is your responsibility.
Use Spring Clean Up Day on May 11 to dispose of most of your junk items. Please call the City Hall if you have any questions or need help 353-2488.
 Mayer brush site is open Wednesday 5-8 pm, Saturday 8-12pm.
 Compost bin is at City Shed located on State Avenue N (by MN Inboard).

Any piles of pet waste left on your lawn are subject to unsuspecting feet - or worse. When left on the ground, pet waste doesn't disappear, rain and snow-melt wash it off lawns and other surfaces and into storm drains which send it directly to lakes, rivers or ponds.

Pet waste contains A LOT of bacteria and parasites that are a health threat to people and wildlife. Plus the pet waste adds nutrients to the water, reducing oxygen available for aquatic life and leading to more algae. So pick up that pet waste before it
