Wastewater Project Funding Update

The city has already received a \$2.2 million federal grant for the wastewater project, which is now estimated to cost \$12.4 million. Over the past three to four years, the city has continued to pursue bonding bills and advocate for the project at the Capitol.

During the 2026 budget session, the city was initially informed it could receive \$6 million in funding. Because many projects were competing for limited dollars in the Minnesota budget, the final award was reduced to \$4 million. That amount is still not enough to move the project forward. The City Council does not intend to move forward in a way that would place additional financial burden on residents until the remaining funding gap is much closer to the full project cost of \$12.4 million.

Next Steps

To address the remaining shortfall, the city plans to submit another bonding bill request in 2027. It is also researching WIF and PSIG funding opportunities, along with other smaller grant options. The \$4 million already awarded gives the city four years to continue planning and pursuing additional funding.

Garbage Pick-up

Reminder—If the Holiday falls on a week-day and your service day is on or after the Holiday, your service will be delayed one day. Call the City for any garbage changes.

NOTICE RESIDENTS

Please remember flushable wet wipes should not be flushed. Do not pour fats, oil or grease (FOG) down the drains. Do not flush non biodegradable items down the drain, such as cigarette butts, dental floss, disposable diapers, bandages, cotton balls and swabs, female products, medications and like items. Do not put household chemicals down the drains, such as paint and strong cleaning products. Basically the only thing you should be flushing down

Sheriff number to call in complaints - all calls use 911

For all dog calls you may request a CSO (community service officer), during day time hours; barking dog, dog running at large, they have the authority to ticket offenders. All other calls please call the Sheriff Dept; noises, suspicious activity, traffic violations or fireworks, call the 911 for any of the above. **You do not need to leave a note or phone message at the city office unless you want to file a formal complaint.** The Sheriff or CSO can respond to an incident while it is happening instead of hearing about it later. You can request your name be withheld. Some issues need to be dealt with while they are happening for better results. Remember—Dog issues you can request a CSO Officer (community service officer), they specifically deal with animal control issues.

Reminders

- Lawns—grass, & vegetation cannot be taller than 6 inches in height. Grass cannot be blown on city streets, keep it in your lawn.
- Garbage services/recycling—everyone has to have it, call the city with any account or broken cart issue.
- Sump pumps must drain to your yard or to the curb in summer months, Must not be connected to your sump pump.
- House numbers must be visible. Sheds (under 200 sq ft) , fences, & retaining walls require zoning permits.

Recreational fires are to be in a 3 x 3 area.
